Try Transit Week Replaced with Transit Appreciation Month

To replace September's Try Transit Week, the Virginia Department of Rail and Public Transportation declared October Transit Appreciation Month. In previous years, BRITE participated in the statewide Try Transit Week by offering free rides to all passengers on all routes on the Wednesday of the designated week. Instead of the usual week-long educational event designed to encourage Virginians to reduce their single-occupancy vehicles and try a form of public transportation, Transit Appreciation Month will highlight the steps that transit agencies across Virginia are taking to keep passengers safe during the pandemic.

Service Notes

- The BRITE Transit Facility inspection was completed on September 4.
- In observance of Labor Day, BRITE Bus operated the following routes: Staunton Downtown Trolley and BRCC North & South Shuttles.
- On September 9, the BRITE Transit Advisory Committee held their regularly scheduled meeting (via videoconference).
- CSPDC and VRT staff participated in a Virginia Department of Rail and Public Transportation meeting for Section 5311 recipients.
- Various safety measures continue to be in place and implemented: plexiglass barriers on buses; masks available on buses; touchless faucets and hand sanitizer stations installed at the BRITE Transit Facility.
- BRITE continued the Staunton Downtown Trolley and Saturday Night Trolley weekend detours that coincide with Dine Out in Downtown.
- Due to COVID-19, the Staunton Downtown Trolley and Saturday Night Trolley Summer hours were not implemented.
- Due to the COVID-19 pandemic, rides are fare-free on all BRITE Bus routes until further notice.
