BRITE Resumes Weekend Staunton Detours to Coincide with Shop & Dine Out in Downtown

The City of Staunton's shopping and dining initiative, Shop & Dine Out in Downtown, resumed in April 2021, and BRITE Bus resumed its downtown detours that coincide with the closure of Beverley Street. Beverley Street is closed to vehicular traffic from Lewis Street to Market Street on Fridays beginning at 4PM and continuing through Mondays at 7:30AM (cross streets remain open). The BRITE Staunton Downtown Trolley and Saturday Night Trolley detour and do not make the following stops during that period: Staunton City Hall; Staunton Visitor Center; Beverley St/Market St; and Hotel 24 South.

- Beginning April 2, BRITE resumed Downtown Staunton detours that coincide with the closures of Beverley Street for Shop & Dine Out in Downtown.
- On April 4, CSPDC staff participated in the DRPT TransAM webinar. TransAM is the statewide transit asset management system.
- The BRITE Transit Facility inspection was completed on April 16.
- On April 29, CSPDC staff participated in the Commonwealth Transportation Board's Spring Meeting for the Six-Year Improvement Program.
- BRITE staff participated in various FTA stakeholder calls regarding transit's role in vaccination access and coordination.
- Due to the COVID-19 pandemic, rides are fare-free and face masks are required on all BRITE Bus routes until further notice.
