BRCC Schedule Change Pop-Up Events

To better align service with demand, the BRCC Shuttles hours of operation are decreasing in the evening. To account for impact the schedule would have on existing riders and the public, BRITE hosted various pop-up events along the route to provide a chance for feedback and comments. Pop-ups were hosted at JMU, BRCC, and the Staunton Lewis Street Hub.

- CSPDC staff hosted public outreach pop-up events for the BRCC Shuttle reduced hours schedule change:
 - BRCC-- April 19 & 20
 - JMU-- April 25
 - Staunton Lewis Street Hub-- April 27
- Due to unforeseen circumstances, there was a break in service for the Staunton Downtown Trolley- service resumed in the afternoon.
- On April 21, staff completed the monthly transit facility inspection.
- BRITE Transit Facility hosted the Virginia Community Transportation Association of Virginia's (CTAV) Paratransit Roadeo. The Paratransit Roadeo draws drivers from around the Commonwealth to compete on a course that tests skills on every level of the drivers' abilities, with a primary focus on safe operations and passenger safety.
- Shop & Dine Out in Downtown Staunton resumed in April. The Staunton Downtown Trolley and Saturday Night Trolley will be detoured Friday at 4PM through Saturday to coincide with street closures.
